AN ALL HOME-MADE PAPER

## LOCAL BREVITIES.

THURSDAY, Sept. 7, 1911.

Monday was Labor Day and was observed by the schools of the county, postoffice and bank.

Mrs. J. H. Dawson and children, of Winchester, spent Tuesday night with relatives in the city.

J. H. Burgher who has been confined to his room for the past three weeks with malarial fever, is slowly improving.

The outlook for corn crops is improved much more than expected since the rain. Late fields will now make good yields.

The City Council was in regular session Friday night. The bridge question was discussed but finally postponed to some future time.

Mike Wilson, of Montgomery county, was here yesterday and had twenty-seven head of nice yearling and two-year-old steers which he had bought from different persons at 4 cents.

We deny the charge of being behind because we forgot to change the date and number of the paper last week, leaving the date of the week before unchanged. Errors will occasionally occur.

Sam Watkins was sent to the penitentiary for life by the Powell Circuit Court at Stanton last week for the killing of Louis Napper in Breathitt county last August. The killing was occasioned by the election of school trustee.

Eld. A. Easter was called home from Marble yard where he was holding a protracted meeting with Elder J. T. Adams last Friday night to preach the funeral of the widow of the late France Mastin which he did on Saturday at Powell's Valley, after which her remains were buried by the side of her husband in the presence of a large congregation of friends and relatives.

## Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM...it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, in Plain English; or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
